Business and Professions Code section 2653 requires an applicant who was issued a diploma by a non-accredited physical therapist education program to furnish documentary evidence to the Board that he or she has completed the professional degree to that issued by a US accredited physical therapist educational program.

The Physical Therapy Board of California proposes to adopt Section 1398.26.1 to identify Entry Level Education Equivalency Reviews (ELEERs) as the only tools that provide satisfactory, documentary evidence. The Board identified five significant changes in the educational requirements that have occurred since 1955. Therefore, five tools (ELEERs) were developed, each reflecting the minimum requirements of these periods.
